- 456191 – Electrolyte Supplements
- 423740 – Refrigeration Equipment
- 335220 – Major Household Appliance Mfg
- 333415 – Ind Refrigeration Equipment Mfg
- 312111 – Soft Drink Manufacturing
- 333241 – Food Product Machinery Mfg

## NIGP Codes

- 39035 – Ice
- 39091 – Water, Drinking (Bottled Water)
- 39330 – Beverages, Thirst Quenching, w/Electrolyte
- 57895 – Water, Potable
- 74088 – Ice Machine
- 22530 – Coolers, Electric (Water Fountains)
- 04566 – Refrigerators and Freezers
- 97965 – Refrigeration Equipment Rental

## Differentiators

### Small Crews

- Freezer rental in a range of sizes stocked with bags of ice.

### Major Projects

- Deliveries of bagged ice to stationary freezers on one ton per pallets.
- Onsite ice manufacturing machines, producing three tons of ice per day, dispensed:
  - bulk for use in concrete manufacturing, or
  - bagged for crew hydration.
